

Overview of the Differences between Classic Rave and Rave EDC in EDC and Architect

Instructor Led Training Webinar Agenda

Course Description: For those users experienced with Classic Rave, a brief webinar will introduce users to RaveX, and cover the new UI, key new features available, and the critical components in Architect. This will allow for users to see the full range of differences between Classic Rave and RaveX, and also provide an opportunity for Q&A.

Approximate Duration: 1 hour¹

Time	Topic
Navigation	Navigation Bar
	Subject > Site > Subject Navigation
	Updated Search and Filter Options
