

# Overview of the Differences between Classic Rave and Rave EDC in EDC and Architect

## Instructor Led Training Webinar Agenda

**Course Description:** For those users experienced with Classic Rave, a brief webinar will introduce users to Rave EDC, and cover the new UI, key new features available, and the critical components in Architect. This will allow for users to see the full range of differences between Classic Rave and Rave EDC, and also provide an opportunity for Q&A.

Approximate Duration: 1 hour<sup>1</sup>
