Medidata Rave RTSM: Getting Started With Trial Supply Management

eLearning Course Outline

Course Description: This course will introduce how trial supplies are managed and monitored in Rave RTSM, based on the study's setup. You will understand how the study design determines when and how much inventory should be at the study site and depot, as well as how Rave RTSM generates email alerts to the appropriate receiver.

Approximate Duration: 8 minutes[1]

Time	Topic
Welcome	Welcome
	Objectives
Trial Supply Management	Trial Supply Management Process
