

Rave DDE for Study Builder Training

eLearning Course Outline

Course Description: This course teaches attendees how to use the Rave Double Data Entry (DDE) module. Attendees receive an overview of the DDE process and learn how data is entered and reconciled.

Attendees will learn to:

- Understand the purpose of the DDE module
- Enter Pass 1, Pass 2 and reconciliation data
- Configure Rave studies for use with Double Data Entry

This course is for Study Builders who configure Rave studies for use with Double Data Entry.

Approximate Duration¹: ~20 min

Module	Topic
Welcome (1 min)	Introduction
DDE Study Builder Training (15 min)	Objectives
	System Configuration
	User Types
	Summary
Post Assessment	Post Assessment
