Medidata Rave eConsent: Consenting a Subject

eLearning Course Outline

Course Description: This course is designed for study managers, site users, and administrators who support or manage Rave eConsent studies.

Attendees will learn how to use the mobile app to:

- Add a new subject
- Review and clear document flags
- Countersign documents

In addition, this course will briefly cover how these workflows vary in Learning Mode.

Approximate Duration[1]: 8 mins

Module	Topic
