

Medidata Rave RTSM: Medical Devices in a Rave RTSM Study

eLearning Course Outline

Course Description: In this training, we will demonstrate how to set up and manage a study using medical devices in Rave RTSM, and how device information can be entered in Rave EDC. We will also demonstrate how medical devices can be returned in Rave EDC and reconciled in RTSM. We will also show the different return options, by creating a return shipment to a destruction depot or destroying a medical device at the designated destruction site.
