Rave Grants Manager has a budget planning and budget contracting solution. The contracting solution powers a fully automated, transparent workflow for the site budget negotiation process and enables an efficient site contracting model. With its interactive dashboard and metric tracking, Grants Manager Contracting allows Sponsors, CROs, and sites to have full visibility into the status of each level of the contracting process. The automated workflow facilitates detailed negotiations, increased compliance and reduced risk. It further enables Sponsors and CROs to achieve study startup timelines, while taking the burden off the sites.

Product Benefits

Rave Grants Manager Contracting supports the entire site budget negotiation process, providing:

Greater Visibility

- Provides budget status in real-time through dashboards
- Deliver clarity into negotiation metrics
- Provides full transparency with negotiation tracking and full audit trail to every stakeholder

Increased Compliance & Reduced Risk

- Eliminates manual error & risk through automated workflow
- Audit trail tracks all activity in negotiation process
- Access to all negotiation notes & changes to provide during any audit

Timely Study Startup

- Improve cycle times with an automated budget negotiation process
- Seamlessly pull in the initial study budget template from Rave Grants Manager Planning to start the site negotiation process right from the system

Reduced Site Burden

- Provide a seamless site budget negotiation process that reduces time and effort spent on email communication and manual tracking in spreadsheets
- Improve site communication and partnerships through the process

Features

Site Budget Automation

Engage multiple sites simultaneously to negotiate and process budgets with spreadsheets and emails.

Dashboard and Tracking

Gain transparency into the site budget negotiation process with status dashboards.

Audit Trail

Track audit history of all changes across all rounds of negotiation. No more emails!

System Notifications

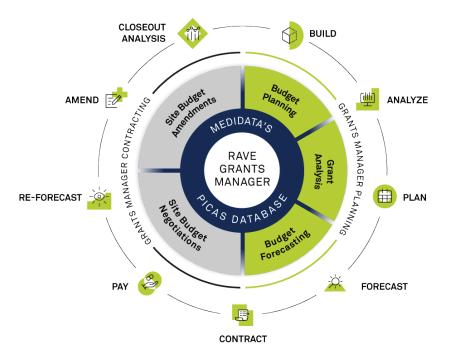

Receive automated system email alerts across all rounds of negotiation so each stakeholder can act and decrease negotiation cycle times.

Multiple Templates

Manage multiple budget templates per study to ensure full global capabilities and flexibility.

Metrics

Gain insights into budget negotiation metrics , cycle times and budget increases.

The Medidata Advantage

Rave Grants Manager Contracting is the only automated budget negotiation solution connected to a budget planning solution. In no other solution can you pull in your initial study budget to go right into the site negotiation process. The visibility into the site budget process is unmatched within Rave Grants Manager Contracting. You are able to track cycle times and budget increases/decreases automatically. Take the burden off your sites and your negotiators with Rave Grants Manager Contracting.
